## Offshore Wind Energy in the Netherlands – News

### **Grant and permit tender Borssele Wind Farm Sites III and IV**

#### **Grant and permit tender Borssele Wind Farm Sites III and IV Questions and Answers (Q&A)**

The final version of the list with [questions and answers](#) has been published on 19 September 2016 on our [website](#). This final version is only available in Dutch. A translation into English will follow shortly.

The [English translation](#) of the second version has already been published on our website.

#### **Deadline submitting questions was 9 September**

New questions regarding the tender for Borssele Wind Farm Sites III and IV will not be answered.

**Adjusted document for Annex 3**

New versions of the operating models, dated 19 September 2016, can be found on [www.mijnrvo.nl](http://www.mijnrvo.nl). These models must be used for the application. In the version of 2 September 2016 an error has occurred in the calculation whereby the IRR is incorrect.

**Document for overplanting and curtailment on [www.mijnrvo.nl](http://www.mijnrvo.nl)**

In April 2016 TenneT has published a position paper on overplanting. This position paper can be used in the wind report for calculating curtailment if overplanting is in place. This document can also be found on [www.mijnrvo.nl](http://www.mijnrvo.nl).
