

# Offshore Wind Energy in the Netherlands – News

19 December 2017

## **Borssele Wind Farm Site V, Innovation Site**

### Tender

The Netherlands Enterprise Agency has made the following [information](#) available to guide you in your application process to secure a permit and subsidy for the Borssele Wind Farm Site V:

- Model application form for a subsidy and permit of the Borssele Wind Farm Site V;
- Model project plan;
- Model investment plan;
- Model operation plan;
- Coordinates and map of the Belgian Wind Farms.

To determine the investment subsidy percentage it is important to know whether your company is a small or medium-sized business or a large enterprise. The European Commission on their website has a [test to help you determine the size of your business](#). We recommend that you complete this test before submitting your application.

Applications can be submitted from 2 January until 18 January 2018, 17:00 hours CET via [mijnrvo.nl](http://mijnrvo.nl)

The Ministry of Economic Affairs and Climate Policy published the translation of [Geconsolideerde versie beleidsregel inzake wijziging productie-installatie windenergie op zee](#) (Consolidated version of the Policy Rule concerning a change to power generation facilities for offshore wind energy) on 13 December 2017 in the Government Gazette. (Only available in Dutch)

### Q&A

The Netherlands Enterprise Agency has received and answered questions. Please find the most recent version of the Q&A [here](#).

## **Wind Farm Zone Hollandse Kust (zuid) Sites I & II**
