

# Offshore Wind Energy in the Netherlands – News

July 2<sup>nd</sup>, 2018

## LAST CALL

### 5 July 2018: Webinar Geophysical and geotechnical Assessment Hollandse Kust (zuid) Sites III and IV

The Netherlands Enterprise Agency (RVO) organises a webinar about the geophysical and geotechnical assessment of the Hollandse Kust (zuid) Wind Farm Zone Sites III and IV.

Martijn Klein (Fugro) will guide you through the soil conditions and the geological context at the Hollandse Kust (zuid) WFZ based on bathymetric, seismic and geological data available at time of the study.

A panel with experts from Fugro, RVO and third parties experts working for RVO will be present to answer any questions on the geotechnical assessment. Participation of this webinar is free of charge. Would you like to join this webinar? Please send us an email to [woz@rvo.nl](mailto:woz@rvo.nl)
