### Presentation Project and Site Description Hollandse Kust (noord)

16:30 – 18:00 Networking reception

Participation is free of charge but we kindly request you to register before April 15<sup>th</sup>, via [woz@rvo.nl](mailto:woz@rvo.nl), stating your name, company and email address.

### Communication Questionnaire

Since 2015, Netherlands Enterprise Agency has kept you informed and updated about the tenders for the Borssele and Hollandse Kust (zuid) Wind Farm Zones by publishing site data and tender information on our websites, organising workshops and webinars, and by producing brochures (PSD's), newsletters, etc. We are always looking to improve the quality of our communications where we can to provide you with the best service possible.

For this purpose, we would welcome your feedback on our communications activities to date. Please [find here a link](#) to our digital questionnaire. We would very much appreciate it if you could take 10 minutes of your time to complete it so we can improve our communications service for you.

### Webinars Hollandse Kust (noord)

In May and June several Webinars will take place. The first one will be held on May 9<sup>th</sup>, please see the [website](#) for details and registration.

### Matchmaking

There will be a matchmaking opportunity during the Floating Offshore Wind Turbines Conference 2019 in Montpellier.
